

# Limb Care Foundation

## Monthly Newsletter

Volume 1 | Issue 1

## Announcement

Welcome to the first issue of the Limb Care Foundation Monthly Newsletter! Stay informed on our past, present, and future events and hear about some amazing opportunities to get involved.

## Inside This Issue

### PG. 2- Past Events and Updates

- Virtual meet 'n greets, homeless outreach, SPS account

### PG. 3- The Month Ahead

- Winter sock drive for the homeless, public speaking events

### PG. 4- What's Upcoming

- Future projects and programs: Limb Challenge/Amputee Soccer event

We accept and distribute new and used DMEPOS

We provide grants to help patients afford their DMEPOS

We provide scholarships to students pursuing specific health fields

If you or someone you know has a new, used, or gently used durable medical equipment, prosthetic or orthotic (DMEPOS) devices that are related to limb health and would like to donate them, please send them to us and we will get your medical equipment in the hands of someone in desperate need

## Welcome New Members!

On October 7th, 2021, we held our first virtual recruiting/ meet n' greet meeting and we are happy to announce several individuals from various professions joining our organization, including:

- Bright Sewor
- Cortney Herron
- Lashauna Smedley
- Lou Figueroa
- Nicole Young
- Radha Amrutia
- Rane Fleming
- Resham Singh
- Rey Ballesteros
- Sharon Chandler
- Toran MacLeod
- And Troy Bailey

Several of our new members have been assigned to one of our four committees and will continue to work towards individual goals of the organization.

If you missed out on our meeting and are still interested in joining, please email us at [limbcarefoundation@gmail.com](mailto:limbcarefoundation@gmail.com).

## Homeless Outreach

On October 28th, 2021, The Limb Care Foundation teamed up with Mercy Pedalers again to provide outreach to the homeless in the Downtown Sacramento area.

During these cold winter months, consider donating winter supplies to Mercy Pedalers to provide warmth to those in need.

## SPS Account is now Active

Thanks in big part to Radha Amrutia and her company, Bakersfield Prosthetics and Orthotics, for sponsoring us on our application to create an account with SPS.

SPS is one of the largest providers for orthotic and prosthetic devices and other durable medical equipment (DMEPOS) in the nation! Big thanks to Brendan Erickson with SPS for setting up our account and offering us a great discount as a non-profit organization!

**“Volunteers are love in motion!”**

## Upcoming Public Speaking Events

On November 20, 2021- We have been invited to speak at the local chapter of the Amputee Support Group in Sacramento.

On December 4th, 2021- The Limb Care Foundation will be participating in the Imani Clinic. A student run clinic through UC Davis which caters to individuals in the Oak Park area. This clinic will be to identify individuals in need of DMEPOS for future allocation and assistance through LCF.

## Upcoming Winter Sock Drive

The Limb Care Foundation is in the early planning phases for a sock drive for those in needs. We will be approaching business and organizations to set aside socks that people would like to donate us so they can be distributed out with the help of Mercy Pedalers.

## Calling All Movers!

I am happy to announce that we have reached our fundraising goal to acquire a 43ft shipping container of donated DMEPOS. Thank you, Dan at Ultra Prosthetics & Orthotics, for your generous donation of DMEPOS, and all those who donated and spread the word. We will be looking for several volunteers who can help us unload and inventory the container and possibly a handful of licensed drivers who are willing to drive a moving truck from Carson City, Nevada to Galt, CA. Please email us at [limbcarefoundation@gmail.com](mailto:limbcarefoundation@gmail.com) if you are interested.

## Coming summer 2022

LCF may be co-hosting a large fundraising event next summer with several other organizations. Details have not been made public, but stay tuned for our big announcement!
